Meet Whitney Rougeau

Drivers receive their driver appreciation items (Lone Star cap, gloves and a safety vest) when they come to the corporate office and visit with Whitney Rougeau.

Whitney started working for Lone Star in the Traffic Department in August 1999. She then became the Executive Assistant to Tex Robbins while he was Vice President of Operations, before he became the owner and President of Lone Star in October of 2004.

Some of Whitney's duties include making travel arrangements and reservations for corporate travel and new recruits, issuing com-checks, handling Supervisors expense reports, ordering all the Lone Star shirts and clothing, and organizing catered lunches, and helping with the lunches.

Whitney is married, and enjoys her family and grandchildren, and there never seems to be a dull moment in her life. She is one hard-working lady! Thank you, Whitney, for everything you do.

Randy Mace (900176) receives his Safety Vest, cap and gloves from Whitney Rougeau. Randy has worked for Lone Star since February 2007.

This will be more important as we go into the challenges for the rest of the year. I'm confident in our **TEAM'S** ability to rise above these upcoming challenges and succeed as we have done in preceding months.
