

Welcome to Fort Worth!

On June 29, it was announced that the majority of the Abilene Administrative office would be relocated to the Fort Worth corporate office. The huge relocation was completed in August, moving offices, furniture, supplies, copy machines, fax machines and boxes and boxes of files. Several of the Abilene employees have already bought homes in the area and all are settling in to their new office surroundings.

There are now almost 90 employees in the corporate office, with five remaining in the Abilene location. **Don Murray**, Vice Chairman, **Terry White**, Data Center, **Donna Stone**, Risk Manager, and **Teresa McWhirter** and **Martha Sellers**, both in the Claims/Insurance Department, remain at the Abilene office.

The Abilene employees who moved to the Fort Worth office include **Kristi Cheek**, VP, CFO, **Tamela Yarbrough**, Controller, and her staff of **Marianna Bell**, **Larry Lydy**, **Amy Robertson** and **Tanna Samora**; **Lorie Black**, Billing Manager and her staff of **Jane Cade**, **Glenda Copelin**, **Beth Nichols** and **Shanna Pierce**; **Rick McDonald**, Director of Financial Reporting and **Phillip Marshall**; **Dolores Owens**, Internal Audit; **Margie Brigman**, Settlements Manager and **Brenda Mata**; and **Floyd Porter**, Credit/Collections Manager and **Cindy Farmer**, also in the Credit/Collection Department.

The reorganization allows for improved communication and coordination efforts between operating and administrative functions, and streamlines processes, improves efficiencies and provides even greater service to our customers, contractors and other Lone Star team members.

14 Axles! 14 Years! Claim Free! Congratulations, Brian Johanson!

Brian Johanson (908281) received a certificate for 14 years of claim-free driving, and a check for \$2000.00 in appreciation for his safe driving. Brian is pictured with **Jeff Cooney**, Vice President of Safety and Compliance. Congratulations, Brian!

Brian Johanson (908281) hauled this module. Dimensions were 118' long, 25' wide, 18'6" high, gross 235,000 pounds.
